These first aid kits meet or exceed state or territory prescribed regulations or Codes of Practice for workplaces with less than 25 people (30 people for Queensland, 100 people for Tasmania & 50 people for SA). For large workplaces, remote locations, or high-risk workplaces, additional 1st aid material or kits may be required. Each workplace should conduct a risk hazard assessment and consult with their employees to properly assess their specific first aid and OH&S requirements.

✓ Select for state regulations  
\*Workplace Risk & Hazard assessment required (Recommended for all).  
These first aid kits meet or exceed state or territory prescribed regulations or codes of practice for workplaces.
