Once a pioneer, now a market leader. With RolaCase & RolaShelf - you will have peace of mind.

Founded in 1982 by an electrician in Sydney, Australia. From humble beginnings; with the idea and willingness to think outside the box and through great attention to detail, our first RolaCase was born. Although our brand and product offering has evolved and grown over the years; our core values remain the same, to provide a quality product and superior customer service.

Let our experience work for you. Our strong reputation in the industry is matched only by our resolve to offer the highest quality products that are backed by our industry-leading warranty.
